

Bovine hides

New Zealand / Scandinavia (Finland and Sweden)

Our main activity concentrates on hides from New Zealand. Since 40 years we offer a wide range of New Zealand cow, heifer, ox and bull hides from wetsalted hides thru to crust leather for shoe, garment, accessories and upholstery.

Apart of New Zealand we offer high quality wetsalted bovine hides from Northern Europe (Finland and Sweden) and hides from Iraq.

- **Wetsalted hides**
New Zealand
Scandinavia (Finland and Sweden)
- **Wetblue hides / grains**
New Zealand
- **Wetblue dropsplits**
New Zealand
- **Crust / semifinished leather**
New Zealand (footwear, upholstery, garment, accessories)
